Welcome to our

FORESTADENT Online Seminar

Edition 1/2021

Dear Clients, Partners and Friends,

the pandemic has turned out to be a game changer with many challenges in our professional and personal lives. However, change is always a chance.

We have seized the opportunity and are happy and proud to present to you our brand-new Campus365.

www.forestadent-campus365.com

With Campus365 we bring continuous education to a whole new level. No matter where in the world you live. No matter when you find time in your busy schedules. Our new e-learning platform is open for you every day of the year. And all this with the quality, professionalism and most of all the personal touch you know us for.

Today we cordially want to invite you to be part of our FORESTADENT Online Seminar. The edition 1/2021 takes place on January 29. Four prominent representatives of the orthodontic profession will share their knowledge with you and we will again create a unique experience to make you feel being part of the huge and fast growing, global FORESTADENT family.

We are looking forward to have you with us on January 29, 2021! Stay safe and all the best for a better 2021.

Sincerely,

Your Forestadent Team
